YOUNG & JUST STARTING OUT I'm a new mommy & 7 mos pregnant today w/ my 1st child, so I'm in need of anything for a new born baby boy. I'm just now starting out, so anything would be so helpful & appreciated. Diapers/bag, blankets, bottles, onesies, mittens, socks, bathtub, baby shampoo, car seat, etc. I'm also breast feeding, so a breast pump & burp clothes would be so helpful. Pretty much anything unneeded. Lizzy, 256/525-8371/#173374

OPINIONS

We must limit ads in this category to running ONE TIME ONLY and to 100 words or less. You may call in as many as 4 opinions, but we will not repeat them. We reserve the right to edit references to specific individuals or organizations.

2 MEN ON CO RD 5 in Cleburne Co tried to break into a house, they were driving a white Toyota pickup. If you live on that road you better lock your stuff up, the thieves are raging, lock it up/#74776

25 POLICE CARS SPEEDING WIDE OPEN THROUGH THE streets of Anniston last week in pursuit of a guy owing back child support. 25 is where I stopped counting. Other units from other directions piled on to stop this threat to all humanity. I thought Bin Laden was back, about to unleash a dirty bomb, or something. Is it really necessary to endanger dozens of innocent citizens by this method of law enforcement? With all the bad press police have had lately, something like this does not look good/#173753

Personals Hygiene

It has become necessary to spell out a few "rules" about the Personals column. If your ad isn't printed, please examine the following guidelines for the reason:

1 Searching for Someone: You must give a phone number or an address so the person who responds can get in touch with you, personally. Put this type ad in Public Notices.

2 Man Seeking Woman / Woman Seeking Man: Must be at least 18. No phone numbers. Please use a cute identifying name if you want responses in the "Messages" section. See instructions in this section if you want to have people respond through BSB Mail.

3 Messages: We will not print derogatory ads that remotely identify a person or business.

READERS: We can only forward mail to ads that read "Reply to BSB Mail." We do not have addresses on file for people who say "Respond in next issue" or similar. Thanks, BSB.

#73766, CORRECTION Trusting the Father for resurrection, abolish death, condemned unbelief (and) sin but gave immortality. Dirtball/#74725

A MAN'S LOGIC IN THEOLOGY takes away from his prophecy and faith. A serpent comes with comfortable kisses to devour your soul in wordly pleasures. It's not good to weigh out spiritual faith but let worldly filth, perversion and selfish prosperity ? (sorry, your call broke up) Hardcase/#74863

ALL THESE PEOPLE calling themselves protesters, they're nothing but thieves and crooks, probably don't even have a job, they can't have a job because they're staying in the street stealing and breaking in places, they need to sit down/#74883

AMERICA'S A TABLE Seated at one end are southside socialists, and north end Neocons at the other, both ends claiming to exercise proper moral etiquette. The table is spread with a meager middle class who have an open invitation to dine at either end. After being enticed to one end or the other the table tilts and we watch in horror as fellow middle classes slide only to be eaten by the hosts. So in terror we scurry to the other end merely to create the same miserable fate. America needs a much larger spread of self sufficient table anchoring middle classes busily working and wearing ear phones which recite Bible verse and true constitutional history. Dirtball/#74723

CALLING YOUNG MEN THUGS? You're a thug because I say you are. When police become judge, jury & executioner? Police unions & prosecutors protect bad murderous cops. Racist cops targeting people of color & the poor in St Louis Co. Even the Mo. attorney general said Ferguson prosecutor broke the law. Rev. Al Sharpton is more Christ like than any of you so called Christians, he stands for liberty & justice for all! No matter your color. The arc of the moral universe is long, but it bends toward justice, but it somtimes must be fought for! Remember Selma? Redneck/#173841

CHRISTMAS WAS TAUGHT TO most of us as kids also, and lied about Santa bringing us toys and the bunny rabbit laying colored eggs. We're also told the truth is in our homes, called the Bible, and also told it was written only for the Jews, and the 10 Commandments is in the Old Testament and we Christians only keep the New Testament. So, are we free to break all the 10 commandments? I know we as Sunday keepers break the first 4. Confused./#74520

CLIMATE CHANGE A HOAX? You people need to educate yourselves. I've lived in Greenland since AD 1450 & I'm telling you an ice age is coming! Our cattle are starving. You can barely keep crops alive anymore. I've seen so many women & small children dying. Beware! The end of the world is coming! Sven "The Farmer" Guthrum, Viking, AD 1499/#173469

CLIMATE CHANGE ADVOCATES SUFFERED A SETBACK in new spending bill when their efforts to have greenhouse gas emissions reported to gov't & permits required for cow farts. Yeah, cow farts, bovine flatulence, breaking wind, or, if you will, cutting the cheese. This is the crap the tree-huggers want to spend our tax dollars on while they protest fracking natural gas & nuclear power, the cleanest practical sources of energy ever. When 'global warming' didn't happen for 15 yrs, they changed the name to climate change/#173750

DECEMBER 25 WAS DECIDED TO BE CELEBRATED AS Christmas by Pope Julius I around 336 A.D. The winter solstice, shortest day of year, & Roman Saturnalia were celebrated around this time of yr. The approximate time of Jesus' birth can be calculated by using John the Baptists birth as a marker, making it in the fall of the year. Not wanting to miss the party, we just 'Christianize' the pagan practices, renaming them, & continue on w/ worship of things other than the true God. Eventually truth is forgotten. Then we cannot understand why our actions don't result in God behaving as we think He should/#173792

EVERGREEN TREES WERE IDOLIZED BY EARLY MAN because of their staying green while all else died, giving the idea of perpetual life. In Bible, Jeremiah ch. 10, it speaks of cutting tree, bringing inside & decking w/ silver & gold. It begins w/ "learn not the way of the heathen". Yet, we do this, then bow to place gifts at it's feet. This wasn't practiced in U.S. till early 20th century because of it's pagan origins. As w/ other practices, this was 'Christianized' to allow us to continue our pagan traditions. True Bible Christianity bears little resemblence to what we see today. Think for yourself/#173759

FACT, I WATCHED THE HISTORY CHANNEL on war on women; and I thought we had problems in America. But the people who own the gas stations, hotels & Subways are owned by Indians, and they had a special on their country the other day about how bad they treat the women in their country, especially if they are widows, they rape them, beat them up and put them out in the desert because they're widows and their husbands had passed away and I think that's so wrong. Just last week there were 40+ widows who had been chopped up, murdered & thrown in the river. And these are the people who own our hotels, restaurants & Subways and are trying to buy our country. We really need to wake up America/#74340

FOR ALL THOSE WHO DON'T BELIEVE Rev 6:5, that's the reason nobody's killed our President because the Lord don't want him dead, he is the anti-Christ/#74375

GOSPEL OF PROSPERITY SPOKEN OF LAST WEEK HAS been around 40 yrs or so, at least. Nothing new here. People want to hear all the pleasing things, especially in hard times, so they keep a following. It is in the Word, but, they're not rightly dividing the Word. Half-truth is un-truth. These same guys teach a damnable heresy claiming Jesus became a sinner on the cross when He took our sins. They confuse sin & sin offering saying Jesus died spiritually. Our redemption is mentioned w/ the cross, blood, flesh, body of Christ in N.T., never His Spirit/#173811

I DO NOT CONDEMN YOU nor do I desire to, you can do that very well all by yourself by the misuse of your will, which according to my understanding of Primitive Baptists you don't have. God does it all therefore you are infallible & uncondemnable. What I did do was to express my experience with them. Now we are born into this world already condemned by the fallen nature we've inherited from Adam & Eve down to our parents & our own cultivation of that nature, which brings me back to 2 wks ago & the 4-1/2 chapters I gave you, but by your answer you only read 3 verses then returned with John 6:37-40, 44 & 45, also Romans 8:29, 30, of which I will struggle to comment, and that root word 'will' is used nearly 4000 times in the Bible. Dirtball/#74659

I'M NOT SORRY BROTHER REDNECK for neither cheering any of the past or present pro-abortion and homo Presidents nor any of their cohorts,

nor have I cheered America's progressively degraded slide to socialism, but I do cheer a nation of frugal responsible individuals with equal liberty and justice under God and the constitution. Ideologically second to none save for Zion which only Christ can usher, not a communist President. If seeking to preserve these concepts, and sounding the watchman's alarm by either sketch or essay makes me a bottom feeder then so be it, and by God's grace may I become a better one. The somewhat shrill but very low middle class. Dirtball. PS: he that bideth an evil person Godspeed is partaker of his evil deeds. PSS: I have peace/#74724

IF YOU DON'T WANT NOBODY'S comments about your children and how they treat you, quit whining about how bad they treat you. You're the one that starts the conversation so you need to hush. You don't want opinions? Keep your mouth shut/#74357

JOHN 6:37, ALL THAT THE FATHER GIVETH ME shall come to me, I will in no wise cast out. John 6:38, I came down from heaven not to do mine own will but the will of Him that sent me, to begin; Jesus, the Father, captain, captain leader, example by mine, sacrifice, life and faith had to be tempted and tried in order to be all of the above because He was deposited into sinful flesh and then tempted and tried, being a good example He learned obedience, an act of the will yes, with the Father's help. Please give me a few weeks to lay out some of this before you comment. To be continued, Dirtball/#74660

KOCH BROS RESPONSIBLE FOR CHEAP GAS Nonsense! Blame Obama for high gas prices, well? Accurately the oil market is glutted. Koch Bros would love it, $100, $200 a bbl more $. ? MART on ? the only reason I stopped by there is because it was American owned and people knew how to say good morning and good afternoon, even though now they still say it they finally sold out to the Indians. I have nothing against the Indians, I'm just saying why are we selling pieces of America? See what's happening in India with the women? They are destroying women. So, that was the last day you got my business, I found another place that's owned by patriotic Americans. Americans, stop selling out/#74519

POPTOP, PEOPLE SAY THE FOUNDING FATHER SAID this was to be a christian nation. Why is "In God we trust" on our money? Is money our God? Some say rightly so. Here some quotes from the founding fathers (lighthouses are more useful than churches) -Benjamin Franklin, (this would be the best of all worlds if their was no religion), John Adams, (Chrisianity is the most perverted system that was ever shown to man), who was it? Thomas Jefferson. Agree w/ the founding fathers? Red neck against formal religion/#173862

POPTOP, WE DON'T AGREE ON MUCH, BUT I'D HAVE to agree w/ on seed time & harvest comment. Remember Tammy & Jim Baker, her water works over a ugly doll? I need 10 thousand checks for 10 grand. He's still hawking his wares as many others, even locally people are so gullible I do beleive people should reap what they sow. Do you believe in the ten commandments? Apparently dirtball does not #9 clearly states not to bear false witness against thy neigbour. He believes slander is alright/#173850

STATE TROOPERS There would be less need for aid from different divisions to help troooers if they would actually work, instead of taking their children back & forth to school on our dime & in our vehicles, talking & texting to their wives or girlfriends or running personal errands & taking care of personal business on tax payer time/#173837

TO THE GARDNER'S FAMILY'S WIFE it's embarassing to hear you say the police officer murdered your husband. Your husband had been arrested 31 times. You should've had it in your heart to talk to him & explain to him that what he was doing was wrong. There are other jobs out there he could've gotten to support you & your family. I disagree with you saying he is a murderer, the cops are not murderers, they're just doing their job, and all he had to do when they said he was under arrest was just stick his hands out. I've been pulled over several times, I cut my dome lights on, roll my windows down and put my hands out the window, and it doesn't mother me at all and I'm still breathing./#74353

TODAY'S COUNTRY MUSIC TODAY is not as good as the old country was. Today's artists aren't staying true to their roots, like Hank Williams Sr, Hank Williams Jr, Waylon Jennings, Johnny Cash, like that. They're trying to put a little hip hop into their music. That's not country/#74498

WHY DOES THE ROMAN CHRISTIAN TRINITY prefer the slow & agonizing death by starvation of living children to the abortion of unborn children? 35k children starve to death each & every day worldwide, mostly in overpopulated & poor nations. Pop Top/#56571

WOMEN IN SINGLE-PARENT HOUSEHOLDS a misfortune that turned the myth of the suburban happy family upopia into a sick joke, especially for children. Stop subsidizing irresponsible & criminal lifestyles. Write your congressperson. Pop Top/#56569

YOU SAY YOUR CHILDREN are mistreating you. Well you probably deserve it if you'll just think back on how you treated your mother, told lies on her, don't say you didn't do it because you did it. We reap what we sow/#74355

YOU'RE THE ONE who always runs your kids in the ground & talks about how sorry they are, but then you get mad when somebody tells you they need to be helping you. Keep your mouth shut & quit talking about them if you don't want any feedback on it./#74586

THE TRUMPET IS BLOWING Triumph Prophetic Ministries Church of God, PO Box 842, Omak, WA 98841, www.triumphpro.info.com Ask for our article: The Shocking Origin of Christmas. Worldly churches add Jesus's name to Dec 25 as His birthday. Is it really the birth of our Lord or is it the birthday of the sun god? What about mistletoe & holly, is it Christian? What does it say in Jeremiah 10:1-5 about the tree we call the Christmas tree, is it Christian? Are we being deceived by Satan, Rev 12:9. Do worldly Christians really love Jesus by keeping pagan traditions? John 14:15, Mark 7:6-9. A Disciple of Jesus/#74337
